

HCMC-ITPC has scheduled HCMC International Exhibition of Food and Beverage 2022, between 19-22, 10/2022 at Saigon Exhibition and Convention Centre, District 7, HCMC, Vietnam. Indian companies from food processing sector are welcomed to participate in HCMC International Exhibition of Food and Beverage 2022.

ITPC, the exhibition organizer, has requested India to become a co-organizer. They have agreed to give specified number of booths to Indian exhibitors and companies. They are also ready to set up an exclusive Indian pavilion in the Exhibition. This exhibition will help the Indian entrepreneurs and companies from food and agriculture sector to explore business for export of food items, plan for partnership in food and beverages. ITPC has also requested APEDA to participate in this fair as a partner or co-organiser and to come with Indian exhibitors of food items and machineries.

As all the big food and marine products and beverages and drinks producers of Vietnam are expected join the exhibition, the Indian Consulate will arrange multiple meets for Indian entrepreneurs with Vietnamese companies and provinces.

While APEDA will not be able to join the event, exporters interested to participate in the fair may
