Dear Certification Bodies,

This is to inform you that APEDA has developed an online module for accreditation activities under NPOP. The module covers different stages of accreditation, payment of processing fee, status of reviews and evaluations etc. In addition, all the accreditation activities such as physical evaluation, surveillance, renewal, extension of scope will be operated through the accreditation module.

The Certification Bodies can use the same credentials for log in into accreditation module also.

The portal is available at APEDA website, [www.apeda.gov.in](http://www.apeda.gov.in) under icon NPOP. The CB can also follow the below link <http://apeda.gov.in/apedawebsite/organic/index.htm> for accessing the online portal.

The user manual is hosted on the module for quick and easy reference.

It is requested that Certification Bodies may use this online portal for accreditation activities hereafter.
