Subject :Implementation of POMONET traceability software for export of pomegranates to the European Union on the lines of the Grape net software.

Sir,

I am directed to refer to APEDA's letter No. Dir/RMPPG/18765 dated 13.9.2008 on the subject mentioned above and to say that phytosanitary certificates would be issued by the authorized agencies of NPPO on the lines with Grapenet Software as per guidelines of IPPC, for export of pomegranates to EU.

2. As regards the export of horticulture products to European Union, Incharges of NPQS, RPQSs, PQSs have been advised to sensitize all exporters of their areas that export of horticultural products to EU must be accompanied with phytosanitary certificates issued by the authorized agencies of NPPO.

Yours faithfully,

( N.K. Sinha)
