

Dear Sirs/Madam,

It has been decided to add the item, "27 SC" after 'Ziram 80 WP' in S. No. 2 & 2a of Annexure - 7 {Pesticides recommended for the control of various diseases and insect pests based on the Studies at NRC Grapes and AICRP on Grapes of ICAR (2006-2007)} to the RMP document.

You are requested to kindly take a note of the above amendment.

With regards,

S. Dave
Director - APEDA
