Attention : Exporters of fruits and vegetables, Meat and Spices

Saudi Food and Drug Authority (SFDA) has intimated that 30 labs in India has been identified for testing samples to ensure that the pesticides are well within the specified limits. It is also mentioned that the results from the approved labs are to be enclosed with the shipments mentioning that the export consignments are in compliance with the required technical and approved standard from **1st November 2018**. The list of the approved lab is attached for information and compliance by the exporters. Henceforth for export to Saudi Arabia the exporters may comply with the above requirement to avoid rejection/ban in export.
